A note from the teacher:

Please practice those sight words each and every night! Make it fun! Put some on the fridge and it be the "secret password" to open it!! Put some on the back door, so they have to say it to leave or to enter!!! Make learning fun at home! There should not be any excuses to not study... **Please continue to review the numbers to 31 with your child daily. They will need to know all of them OUT OF ORDER and write the numeral correctly!**

Please remember if your child doesn't know their sight words, they are struggling with their journal writing and reading. Your child should be starting to write at least one sentence using beginning and ending sounds and sight words! Don't forget capital at the beginning and period at the end!
